Rolls Royce have shortlisted a site near J53 at Scotch Corner to make component parts for small modular reactors. The parts would then be assembled where needed. Cllr Les said that it would provide many highly skilled jobs and boost the local economy.

Covid cases are increasing in the area. Only last week the rate was 59/100,000 but this week it has risen to 219/100,000. Schools and care settings have high numbers.

3.3 Cllr Threlfall

RDC have small business grants up to £1,000 available.

Half of the taxis drivers in North Yorkshire have undertaken dementia training – they are hoping to increase this number.

3.4 District Councillor Rowe

RDC is to spend half a million pounds at Noels Court and Elderly accommodation in Reeth to make the apartments more fit for purpose. Two apartments will be knocked in to one to make them larger and give separate living and sleeping areas.

This is a long-term project as the work will only be carried out when two adjacent apartments become empty.

Cllr Les has offered £1500 from the Locality Budget Fund to help pay for the replacement of the safety matting under the swings in Arena View Playpark. The Clerk has applied for this.

6. Current Issues.

6.1 Grass cutting.

Cllr Young been talking with Colin Browne, the grass cutting contactor, about doing extra cuts during the fast-growing months to try and keep the grass shorter. It was suggested that during April, May and June extra cuts should be carried out and also extra days in Nov/Dec would give more time to maintain the Beck.

The Councillors thought that this would be a good idea.

Proposed Cllr Young Seconded Cllr Clarkson.

Cllr Campbell will contact Mr Browne to find out the extra costs involved before a final decision is made.

6.2 Catterick Garrison Town Centre Development

The Clerk has been sent an email regarding the Levelling Up Round 2 Bid being submitted by Richmond District Council and the MOD for the proposed Catterick Garrison Town Centre Development at Shute Rd Catterick Garrison. They are in the process of gathering signed letters of the support for this bid and asked if Catterick Parish Council would consider signing a letter of support to be added to the application.

The Councillors agreed that development is needed in the area although they have some reservations as to how this would link into the Prince's Gate Development on the opposite side of the main Richmond Rd.

The Clerk will reply to the email with a letter of support.
